

GURU HARKRISHAN PUBLIC SCHOOLS, NEW DELHI

DIVISION OF SYLLABUS

SESSION: 2022-23

CLASS: NURSERY

Learning Objectives

- To build up the self-confidence of young learners and motivate them for learning new things.
- An array of fun and enriching activities are designed for the cognitive, gross motor and fine motor development of our children.
- To develop their language, vocabulary and social skills.
- Holistic development of each child where each one is provided with an environment to show their imagination, creativity and logical thinking. As our curriculum is designed on the principle of “learning by doing “

Learning Outcomes

- Activity based teaching makes the concept easy and student learn through their practical experiences.
- Extra-curricular activities like show and tell, recitation and fancy-dress competition etc. helps students to express themselves in a confident manner.
- Art and craft activities like clay moulding, salt tray, tearing and pasting not only keep the young ones engaged but are a prerequisite for the fine motor and cognitive development of the children.
- Festival celebrations and cultural activities help them to know about the rich cultural heritage of their country.
- Our activity-based curriculum helps to recognize their innate talents.
