SUBJECT : MATHS

As the holidays begin, it's time to explore the world of numbers in a fun and challenging way through this math's holiday homework."

Thoughtful:

"Maths isn't just about numbers—it's a way of thinking. This holiday homework helps me stay connected to logical thinking even while I enjoy my break."

Activity -1(Pen and Preceptive)

1. Shape Hunt at Home

Activity: Find and draw 5 different shapes (circle, square, triangle, rectangle, oval) around your house.

Creative twist: Make a mini "Shape Detective Notebook" and write where you found each shape.

E.g., Circle – Clock on the wall, Rectangle – TV screen

Activity -2

EXPLORING OUR PAIRING STATE –Delhi vs Sikkim

Activity: A Number Story"

1. Population Play:

- Delhi: Around 3.2 crore people
- Sikkim: Around 6.7 lakh people

Q: Who has more people? By how much?

(Subtract the smaller number from the bigger one.)

2. Temperature Talk:

- Delhi Summer Avg: 40°C

- Sikkim Summer Avg: 22°C

Q: Which place is cooler in summer? What is the difference in temperature?

Activity-3

Activity Name: Read, Watch & Review – Let's Learn Maths!

Step 1: Read a Maths Storybook

Example book: "Sir Circumference and the First Round Table" by Cindy Neuschwander (or any math's-themed storybook).

What to do:

- Write 3 things you learned from the book
- Draw your favorite scene from the story.

Step 2: Watch a Fun Maths Video

Example video: "Number blocks" (on YouTube – short episodes about numbers)

What to do:

- Name the episode you watched.
- Write 2 things you liked about it.
- Write 1 math's fact you learned.

Step 3: Review Time!

Write a few sentences:

"I had fun learning math's in a different way! I liked reading and watching because..."

"My favorite part was..."

"One new thing I learned is..."
